Expand PosterHolder

The Expand PosterHolder is easy to mount and is the perfect complement to further strengthen client campaigns. You can change ads in a snap with the Velcro profile. Expand PosterHolder's clamp profile is made for paper, cardboard, cloth and plastic posters. You can easily change pictures and print new ads using offset, screening or digital printing.

Expand PosterHolder is simply the perfect medium for companies and organizations that want to be seen where their target groups are out and about. The Expand PosterHolder is an unsurpassed Pinpoint Media product, which maintains the same high quality and design as our other products.
